

Art is our business,

people our concern.

The Centro Cultural Andratx, in conjunction with our partner, Heaven Must Wait Travel and Event Management, will host and organise your private or corporate event on Mallorca. You provide the occasion, and we will take care of all the details.

Whether it be small ...

... or large ...

..., private ...

... or corporate ...

... each moment will be tailor-made
according to your specific wishes.

All your travel and accommodation needs will be catered for, and our professional team will take care of the personal needs of each guest.

We not only offer you fine art –
but now also the fine art of travel and
event management on Mallorca.
