At the Johannesburg airport you will be transferred to your next destination – an African lodge in the bush. Here we offer you a choice of two lodges:

The first is Singita Boulders Lodge, to which you would be transferred by small charter flight. This is an exclusive lodge offering exquisite luxury, rare privacy and perfect tranquility, whilst having the opportunity to experience the “Big Five”.

The alternate suggestion is a more personal and perhaps less exquisite camp called Jaci’s Safari Lodge. The lodge offers a true safari experience, and is situated overlooking a water hole on the edge of the Marico River, where the animals come to drink. The lodge only has a total of ten rooms, so privacy and stillness of the bush is guaranteed.

Day 6-9: Stay at either Singita or Jaci’s Safari Lodge

## About Singita Boulders Lodge

Boulders is an exclusive lodge offering exquisite luxury, rare privacy and perfect tranquility, in the Sabi Sand Reserve, promising the ultimate wildlife safari.
